Dear Madam/Sir,

I have the great honor and pleasure to invite you to the 2 nd Meeting of the Regulatory Authorities and Institutions from SEE Responsible for the Implementation and Enforcement of the Directive 2014/53/EU (RED) which will be held in Ohrid, Macedonia, on 15 and 16 May 2018, organised and hosted by the Agency for Electronic Communications (AEC).

The aim of the Meeting is to analyze the progress in implementation of the RED in the national legislative among the countries in region.

It is expected that the Meeting will be attended by the representatives from the regulatory agencies, ministries, state institutions and organizations as well as EU experts who implemented the RED.

This Meeting is planned to be organised as a two day event and will take place in Hotel "Metropol" in Ohrid.

In the same time with this Meeting AEC will hold an International Regulatory Conference on Digital Society, with an aim to encourage public discussion on issues concerning the latest developments in the ICT sector named as "Time for Action".

I sincerely believe that this Meeting and Conference will provide a great platform for having meaningful dialogue between all stakeholders and an excellent ground to exchange views on topics of common interest by sharing knowledge and experience.

Confirmation of participation can be made to Ms. Dragica Lepavcova (dragica.lepavcova@aec.mk) latest by 5 May 2018.

Participants wishing to hold presentations are welcomed to send their proposals latest by 1 May 2018 for the attention of Ms. Dragica Lepavcova and Mr. Aleksandar Acev (aleksandar.acev@aec.mk). All necessary information you can find on www.aec.mk.

I hope that you will be able to participate and make a valuable contribution to the RTTE/RED Meeting and Annual AEC International Regulatory Conference 2018.

Looking forward to welcoming you in Ohrid.
