

## Invitation to the AEC Annual International Regulatory Conference 2022

Dear Madam/Sir,

I have the great honor and pleasure to invite you to the Annual International Regulatory Conference (IRC) which will be held in Ohrid, on 17<sup>th</sup> and 18<sup>th</sup> of May 2022 and will be organised and hosted by the Agency for Electronic Communications. Having in mind the situation with Covid-19 in the region, that day by day the situation is getting better, we inform you that the event will be held with physical presence.

With the inspiring conference title “CHALLENGES TOWARDS GIGABIT SOCIETY”, we hope that we will bring your attention to the most relevant topics on:

- Signed Agreement for price reduction of roaming services in the Western Balkan such as benefits for end-users, challenges, financial impact on operator’s business plans, fair use policy;
- Regulators and operators perspective on the new technologies implementation;
- Frequency policy for fast mobile broadband;
- Tools for efficient regulation

Distinguished personalities are invited including Governmental representatives, Regulatory Authorities, academic community, ITU officials, European Union officials, operators, other companies as well as key persons in the national and global electronic communications market.

The Annual International Regulatory Conference 2022 is planned to be organised as a two day event and will take place in Hotel “Metropol” in Ohrid.

I sincerely believe that this conference will provide a great platform for having meaningful dialogue between all stakeholders and an excellent ground to exchange views on topics of common interest by sharing knowledge and experience.

Please confirm your participation and express your interest to hold a presentation by sending an email to [irc2022@aec.mk](mailto:irc2022@aec.mk) latest by 5<sup>th</sup> May 2022.

I hope that you will be able to participate and make a valuable contribution to the Annual International Regulatory Conference 2022.

Looking forward to welcoming you in Ohrid.
