Dear Madam/Sir,

Број 1003-1043/125.04.2023 година

I have the great honor and pleasure to invite you to the Annual International Regulatory Conference (IRC) which will be held in Struga, on 30<sup>th</sup> and 31<sup>st</sup> of May 2023 and will be organised and hosted by the Agency for Electronic Communications.

With the inspiring conference title "5G SOCIETY IS PRESENT", we hope that we will bring your attention to the most relevant topics on:

- Regulators and operators perspective on the new technologies implementation;
- Frequency policy for fast mobile broadband;
- Methodology for measuring fast mobile broadband;
- Tools for efficient regulation
- Benefits for end-users, challenges, financial impact on operator's business plans, fair use policy;
- Cybersecurity.

Distinguished personalities are invited including Governmental representatives, Regulatory Authorities, academic community, ITU officials, European Union officials, operators, other companies as well as key persons in the national and global electronic communications market.

The Annual International Regulatory Conference 2023 will be organised as a two day event and will take place in Hotel "Izgreв" in Struga.

I sincerely believe that this conference will provide a great platform for having meaningful dialogue between all stakeholders and an excellent ground to exchange views on topics of common interest by sharing knowledge and experience.

Please confirm your participation and express your interest to hold a presentation by sending an email to [irc2023@aec.mk](mailto:irc2023@aec.mk) latest by 23<sup>th</sup> May 2023.

I hope that you will be able to participate and make a valuable contribution to the Annual International Regulatory Conference 2023.

Looking forward to welcoming you in Struga.

Yours Sincerely,

Jeton Akiku

Director
